

PRODUCT DESCRIPTION

Wide flange extrusion to be mounted in grooves of various surfaces such as drywall. Mounting is achieved with the use of KMA mounting springs. After the fixture is fitted, you obtain the effect of a flat and wide line of light.

Patent Number: US D790,760 S

- Ability to create a line of light
- Easy assembly and disassembly
- Can be combined into straight and broken linear runs
- Simple design
- Good heat dissipation
