

HAN LED White wall lamp/coat rack

Ref. 01000

HAN is a design of Goula/Figuera that stands out by its dual functionality. This wall lamp emits a highly decorative indirect light, but at the same time it can be used as coat rack. Its light source is LED 6W and warm light, integrated. Exponent of the New Lighting Concepts, is totally versatile, taking place in a multitude of spaces both domestic and contract.
