

PRESS White wall lamp reader

Ref. 62350

PRESS is a fun collection of wall lamps designed by Jordi Blasi. Round in shape, its structure manufactured in aluminium is also the switch that, as its names indicates, only needs to be lightly pressed. The light beam is projected through a fine structure designed as a reading or support light. White finish.

Specifications

Bulb: SAMSUNG LED 3535 3W 180lm
