

Controller RGB+CCT, Wlightbox

Ref. E60235

NEW

IP20

- Miniature device for adjusting RGB, RGBW, RGB+CCT colors or white light using smartphones and tablets
- The unique μWiFi technology allows you to control the lighting wirelessly
- Does not require additional control modules, hubs or central units
- Connection with access from anywhere in the world (only internet access required)
- Possible to set a smooth schedule for brightening and dimming
- The controller can work according to a set schedule
- Ability to control the device based on local sunrises and sunsets

TECHNICAL SPECIFICATIONS

Material	plastic
IP protection rating	20
Control / Communication	Wi-Fi
Rated input voltage	12 - 24V DC
Rated current	15 A
Maximum output power	360 W
Minimum input voltage	12 V AC
Maximum input voltage	24 V AC
Width	37 mm
Height	22 mm
Length	43 mm
Weight	0.035 kg
Minimum working temperature	-20°C
Maximum working temperature	50°C
Color	■ black
Warranty [months]	60
